The game has received little modification from the original Super NES version. The gameplay of A Link to the Past has changed very little from the original 1991 release; only slight modifications have been made. It also introduces the Hookshot, the Magic Mirror, and the Pegasus Boots. Link's health is measured in heart containers, which can be replenished by collecting smaller hearts from enemies and bushes. The sword can do a variety of things, including a sword spin, an energy projectile, and a secret technique introduced in the Game Boy Advance version called the Hurricane Spin.
