The numbers after the colon are the port Don't get confused, just enter the numbers before the colon as the ip, and numbers after the colon in the Port box.. Langkah langkah: 1 Open Block Launcher Klik gambar di atas yang kotak kecil berwarna transparan.

bat di belakangnya,, Misal: Run bat 8 Rename Craftbukkit yang tadi kamu download dan di taruh di folder baru menjadi craftbukkit.. Craft, minecraft jakarta, minecraft jurassic world map, minecraft jurassic craft mod,.. Undang teman kamu untuk ke server kamu Contoh Terhormat, Budi bud, mau jadi staff di server ku gak? Tapi server ku Hamachi,, tapi sudah Bukkit ni ID: [Id Hamachi Network tadi] pass: [Passwordnya] okay dia bisa join sekarang!! Kamu kasih Ip address Hamachi kamu! Hello Guys,, post kali ini tentang cara menggunakan Mod di MCPE dan Beberapa Review Modnya:D okay Pertama Kamu Download Block Launchernya dulu.. lbg net The port was the default port, 19132 **A common ip is made up of numbers separated by periods, with a colon at the end, and more numbers after that.. Tepat banget berjumpa ke post ini,, saya tahu pasti kalian ingin membuat server karena ingin ada donator kan?? Atau ingin menjadi owner?? Atau karena Gak ada router? Gak bisa port forwarding?Tadinya saya juga! Okay sekarang ini tutorial Untuk Hamachi dulu ya! Step By Step: 1.

Setelah itu kamu Buka lagi Block Launchernya Dan nanti ada Pilihan 'Continue' dan 'Back to normal' Kamu pilih Back to normal.. Minecraft elevator, minecraft free, minecraft free download, minecraft forum, minecraft.. Normally, the website you got it from will have the ip (address) and port Simply enter these into the slots allotted.

Setelah download selesai letakan downloadtan di Folder baru 6 Tulis di notepad Code Ini [LINE 1]@ECHO OFF [LINE 2]SET BINDIR=%~dp0 [LINE 3]CD /D '%BINDIR%' [LINE 4]'%ProgramFiles%' Java jre7 bin java.. Sincerely, prateeksharma. Klik Option nya dahulu Cari Safe Mode Lalu di disable kan 5 Lalu back ke halaman pertama Minecraft Pocket Edition 6.. I respect owners and all staff I am very obedient please chose me as staff and I will make u happy I promise.. I will make your server a peacefull and happy server with lots of people coming on it.. Download LogMeIn Hamachi 2 Create New Network 3 Isi ID dan password untuk di share ke teman! Download BukkitCraft tergantung minecraft versi yang diinginkan 5.
